Authorities**

**DECLARATION OF JASON HARROW**

1  
2 1. I, Jason Harrow, declare as follows.

3 2. I am thirty-seven years old and reside in Los Angeles County,  
4 California. I represent the Plaintiff in this matter.

5 3. On May 27, 2021, I went to [twitter.com/ChadLoder](https://twitter.com/ChadLoder) to view Chad  
6 Loder’s profile. I saw that the @ChadLoder account has “87.9k” followers, which I  
7 understood to mean approximately 87,900 followers. I took a screenshot of the  
8 background, bio, and other information. A true and correct copy of that screenshot  
9 is attached as Exhibit Harrow-A.

10 4. On May 27, 2021, I reviewed the listing of tweets from the  
11 @LAPDRickStabile account generated from the website [allmytweets.com](https://allmytweets.com). I  
12 learned from talking with my colleague Charlie Gerstein that he generated this  
13 listing by inputting the address @LAPDRickStabile into the website  
14 [allmytweets.net](https://allmytweets.net), which produced an output of the text of the last 702 tweets from  
15 that account. A true and correct copy of that listing is attached as Exhibit Harrow-  
16 B. That same document is attached to the Complaint as Exhibit A.

17 5. On May 27, 2021, I navigated to the @LAPDRickStabile profile page  
18 on twitter at [twitter.com/LAPDRickStabile](https://twitter.com/LAPDRickStabile). I took a screenshot of the first two  
19 tweets appearing. A true and correct copy of that screenshot is attached as Exhibit  
20 Harrow-C.

21 6. On May 27, 2021, I navigated to  
22 <https://twitter.com/chadloder/status/1397222566637580306?s=20>, which I knew  
23 to be a tweet thread by @ChadLoder that responded to a May 24, 2021 tweet by  
24 @LAPDRickStabile. I took a screenshot of the two tweets appearing. A true and  
25 correct copy of that screenshot is attached as Exhibit Harrow-D.

1           7.     On May 27, 2021, I examined the background photo in the  
2 background of the @LAPDRickStabile account and compared it to photos I  
3 searched for of the Hollenbeck Division LAPD station. Based on that knowledge,  
4 I believe the background photo to be of the Hollenbeck Division LAPD station.

5           8.     On May 26, 2021, I navigated to the @LAPDRickStabile profile page  
6 on twitter at twitter.com/LAPDRickStabile. I took a screenshot of the profile,  
7 including the username, photo, background photo, and bio information. A true and  
8 correct copy of that screenshot is attached as Exhibit Harrow-E.

9           9.     On May 27, 2021, I examined several comment threads generated by  
10 tweets from the @LAPDRickStabile account, and I found that the account permits  
11 discussion of a wide variety of issues. I saw that a May 24, 2021 tweet had 63  
12 replies; a May 10, 2021 tweet had 17 replies; and an April 27, 2021 tweet had 34  
13 replies. Several of the replies were on topics similar to that of Loder's May 24  
14 replies but expressed a different viewpoint.

15           10.    For instance, among the replies to @LAPDRickStabile's May 10, 2021  
16 tweet are: "Where the coverage is needed, its never there. Such a shame.  
17 #backtheblue #propolice #lapd #wehaveyourbackcaptain Thank God the officers  
18 were not harmed!! 🙏" and "That's shameful that the lives of law enforcement are  
19 devalued!!!! And the life of a harden or low line criminal are more valued than  
20 this that protect lives!!!! How much has our society has changed. 🚔" On May 27,  
21 2021, I took a screenshot of a portion of the thread. A true and correct copy of that  
22 screenshot is attached as Exhibit Harrow-F.

23           11.    Among the replies to @LAPDRickStabile's April 27, 2021 tweet are:  
24 "This concerns me...releasing violent criminals back onto the streets, defunding  
25 the police and trying to take law abiding citizens 2A rights away from them...and  
26 I have heard that they are closing two CA prisons because there are not enough  
27 criminals to fill them" and "This is a horrible miscarriage of justice and a slap in  
28

1 the face to all the Officer's [sic] who risk so much to uphold the law. 512 criminals  
2 back in our communities to re-victimize residents. Shameful! #recallgascon." On  
3 May 27, 2021, I took a screenshot of a portion of the thread. A true and correct  
4 copy of the screenshot is attached as Exhibit Harrow-G.

5  
6 I declare under penalty of perjury under the laws of the United States that the  
7 foregoing is true and correct, and that this declaration was executed on June 2,  
8 2021.

All of this after we increased LAPD's budget, too! Proof that massive police budgets don't prevent crime.

Maybe we should try another strategy for a change.

To refresh your memory, here is a video of Capt. Rick Stabile telling a victim of a violent hate crime (committed in the presence of LAPD officers) that she'd have to perform a citizen's arrest.

We pay Stabile over \$300k per year in total compensation.

Of course not. However, if there would have been an OIS coupled with some other variables, then it would have been in the news.

OMG. Thank God they caught the suspect. It's disturbing that the MSM did not report this.
